THE kidnapping of the Europeans at Halphong the other day has roused the French authoritles to unusual activity. The Residents of the districts surraunding Henichan -the scene of the outrage-are having the country scoured, and a strict lack-out is being kept. One officer attacked -a band of Chinese, killing several, and a prisoner, on being interregated, said that three Europeans had passed, not long before; in the middle of about a hundred Chinese and natives. It was dangerous to pursue, for fear that the prisoners might be killed, and a ransom has been offered.

THE Chinese idea of a Happy New Year is all their own. This ought to have been a particularly gay and festive anniversary, if the millions of millions of crackers that have been let off are any criterion. Excepting for the never-censing fusillade, though, this 16th year of Kwang-suhas been ushered in very decorously by the community. All business was at, a stand-still yesterd y, of course, and the break was still on | done nothing. The Chinese are said to have bankru tries being reported. CRICKET.

THE STRAITS SETTLEMENTS V. HONGKONG.

This interesting trial of strength at England's manly pastime between the respective representatives of the Straits Settlements and Hongkong was commenced on the Cricket Ground a few min tes past 11 n'clock this forenoon, in the presence of a large number of spectators, which g adually became larger as the game progressed. At the last moment it was decided to play twelve aside, a rule which, in our opinion. more honored in the breach than the observance. Winning the toss, the Hongkong captain elected to take first innings, and on a very fair wicket, considering the heavy rains we have been favored with lately, Blair and Coxon assumed the defensive, the Straits' attack being entrusted to DAKIN PROTURED ANISEED AND Ross, fast overhand with a very taking delivery, and an old Hongkong cricketer, Lieut. E.O. Smith. of the gallant old "Steelbacks," whose medium pace over-handers; breating in from leg, are well known in the colony.

Hongkong commenced well, Blur scoring a pair of a's, in the fast howler's first over, a nice stroke to short leg, and a pretty drive to long leg; which was smartly fielded. Coxon opened his shoulders to Smith's first hall and drove him to about equare leg for 5, following up this with a pretty draw for a single, and then Blair cut the last hall of the over-a somewhat expensive onefor a couple. In Ros ? second over Coxon gave a very hard chance to Fox in the slips, which was not accepted. In Smith's second over Coxon sent him to leg for 4, and in the following over hit one hard to mid on for 3, following this up he failed to stop the first ball from Fox, and. by cutting Ross beautifully to the boundary for 3. Runs were coming too quickly to be, the first ball he received for a couple, and in the ple sant, so a change of bowling was tried, Fox relieving Smith, and Coxon nicely placed his fire hall in the sleps for a single. A pretty cut into the Pavilion by Blair off Ross was the next interesting feature, but the bowler had his revenge, as with the following ball he broke down C xon's defence, the first wicket falling with the total at 29, of which the retiring batsman had contributed to in his usual dashing sivie. Coxon's score was made up of one 5, one on 3, one 2 and singles. E. W. Maitland trok the vacant wicket, but his stay was a slight one, as after scoring two he was caught at long-off by Gahagan off Fox. Two wickets for 3r runs. Leach now partnered Blair and a long stand was made. The play was rather slow until the R E. "crack" hit Fox to the fence, but in the next over from Ross he had a lift, as he placed the bill in Birch's hands at point : however, the chance was not accepted and an expensive let-off it proved for the Straits' tienm. A sharp run here by Blair brought out applause, which was renewed by some smart work on the part of the wicket-keeper. Runs now came fister and both men appearing set, Birch (mediume pace over-hand) was deputed to relieve Ress. Leach showed his apprecition of this change by cutting the new bowler's first delivery into the refreshment tent, and Blair immediately afterwards drove him to mid-on for a couple. The last named was cheered in the next over for a slashing cut off Fox, which, however, only produced a couple of runs, owing to colliding with one of the posts, but the following ball he hit haid to the leg boundary. With 50 an Smith resumed at his old and, and Latchford bowled in place of Birch. These changes proved rather expensive, half a dizen runs resulting from the latter's first over - Blair driving him hard for a couple and gutting him into the refreshment tent. A yery smart piece of fielding by Ross, which saved a boundary hit, was recognised by hearty applause. Leach was, then missed at long off hy Ross - an easy chance and ack owledged the favor by a macking Smith to the boundary. In Latchford's next over Leach drove him straight to the Praya for o, which would have been 8 had the striker not broken down in one of his legs, which necessitated a bandage and a substitute to run him. With 70 on the telegraph board Spinks to k the ball from Smith, but Blair at once hit him hard to leg and Leach drove him to the long field for a couple, Latchford failing to to effect the desired separation, gave place to Ross. Blair scored two to leg off the new howler's third ball and then bit him hard to mid-on for another brace-which would at least have been four had the ball n't rebounded back into the ground after striking a post. Leich cut Spinks to the road for two an' scored a single to leg, and then Blair cut him to the road for three, which brought on Fox Leach cut the last ball of the latter's first over for a single, and then Ross bawled a "maiden." Blair snicked a single off Fox, and Leach bit the last ball of the over hard to mid-on, but it was smartly fielded and only a single resulted. Ross

runs. An adjournment was now made for tiffin, Blair being not out with 42 to his credit. On resuming at two o'clock, Campbell became Blair's associate, and placed the last ball of Ross' over to leg, following this up by snicking Fox for 3, Blair driving the following ball into the harbour. Campbell spoiled a "maiden" for Ross by placing the last ball of the over to short leg for a single, and immediately afterwards snicked Fox to the road for 3. A hit to mid-on for a couple by Blair off the fast howler was the next not worthy item, and then play ruled slow for a time, until the R.E. man drove Ross straight to the boundary. supplementing this with a hard cut off Fox to the road for three, but the following ball break-Lowson then went in and " poaned" the firs ball he received from Fox to long off, for which a desperately short sun was safe'y negotiated, and he then drove the fast bowler to the trees at the City Hall, but narrowly escaped being caught in the slips in Fox's next over. Blair snicked Dalby. Fox for 3, and hit Ross beautifully to leg, for which only a single was scored, but Lowson drove the next ball out of the ground for 4. The same batsman then hit Fox into the refreshment tent, and this brought on Smith for the third time, but the Doctor sent him to longoff for two and to the harrack fence for three in his first over, the last hit being a "chance," which however, was not availed of Birch (fast round) now took the leather from Ross, his first over producing a single to Lowson and a couple of byes, and Gahagan relieved Smith at the other end, but Lowson drove the last ball of his first over to the fence, and sent the next ball he received from Birch to the road for three. It was now Blast's turn, and he hit the same bowler to leg for 2; and played the remaining balls of the over. No change being when we went to press. Even the police have effected. Hornby, superseded Gahagan and started with a maiden, but Lowson made four "settled up" without much difficulty, very few and Blair a couple off his second essay. Runs and proceeded to the 64 pds. Hattery at Stone-

but in Hornby's next over the R. E. batsman was cleaned bowled, having acored 71-one 4, ten 3's, eleven a's, etc., -in irrep oachable at le, with the extention of the one chance streaty mentioned. Five for 181. . Major Miles joined Lowson and after a couple of singles by the former, the l'octor drove Ross into the Parade Ground for four. The run-getting now slackened a bit, but when Hornby gave up the ball to Fox. play became livelier, Lowson hitting vigorously while the Major played correct cricket. A splendid leg hit by the veteran off Ross, which pitched into the Murray Barracks compound,

was loudly applauded, and a sharp cut for a couple in the same over, which brought up the 200, elicited fresh cheers. Latchford had now another to with the ball in place of Ross. but Lowson, after getting a hard track on the hand, drove the last ball of his firstover for two, and smacked the first ball of his second over to the fence. Miles then had a life off Fox, sending the ball straight into Latchford's hands at square leg, and then each battman sent this bowler to the fence. A separation was, however, effected in Fox's next over, Lowson sending one up to long-off, which Spinks, easily secured. Six for 220. Lowson's hard hit 59 included two 4's, ten 3's and five 2's. F. Maitland joined the Major, when the latter at once drove Fox clean over into the Praya, but only three runs were allowed for some reason which we cannot understand: Ross again took the ball from Latckford, but the separation came from the other side. Fox taking the Major's wi ket, the veteran having played an admirable innings for 23-one 4, four 3's, one 2, and singles. Seven for 228. Bell-Irving was next man, but Sercombe Smith went in. The new comer cut following over drove Ross for two to mid-on and three to leg, both capital hits, and then sent Fox to the fence. A clinking ball from the last named proved too much for Mailland, who had only contributed a single. Nine for 214. G. S. Coxon joined Smith and Latchford once more took the ball from Ross, but after a couple overs resigned to Hornby, who was pretty roughly handled by both batsmen. Coxon and Smith each scored a snick for three in one over from Fox, and the latter drove him hard to the on but only scored a single the ball being very smartly picked up and returned. This brought on Ross at the eastern end. A splendid piece of fielding at this stage by Higginbotham at cover-point was cheered all round the ground. Smith drove Hornby to the on for two, but the next ball proved fital, as he was well caught at the wicket by Taib d. Ten for 273, of which Sercombe Smi 'lal contributed 30 in dashing style-four 3 s, four 2's and singles. Ram was last man and he cut the first ball he received from Hornby into the refreshment test, and scored a two and a single in Ross' next over. Another change of bowling was tried, Birch relieving Hornby, and he sent down a good maiden over. In Ross' next over Coxon, who had made 12, was capitally caught at cover point by Higginbotham; who had to run a considerable distance

to reach the ball, and the innings was over for 280. Ram carrying out his bat for 6. Fox carried off the bowling honours amongst the Straits cricketers, taking 6 wickets for 83 runs. Ross had 3 for 69, but it must b admitted that he had execuble luck, a number of chances off his bowling having been missed. Horr by, whose, peculiar delivery reminds one of the well known professionals Lillywhite and Crossland, took two wickets at a cost of 32 runs. Smith was decidedly out of form and bowled without any success, and the same may be said of Latchford, Spinks, Birch and Gahagan. The fielding of the Straits team was, to say the least, disappointing. Talbot was excel'ent 'at the wickets and did 'yeoman's | McDougall, Esq ; Aug. Piehl, Esq. service: Birch and Hornby at point were also smort, and one or two others distinguished themselves occasionally, but as a whole the fielding was far below first-class form,

Play will be resumed at 10 o'clock to-morrow

VOLUNTEERS.

Notwithstanding the wretched weather yesterday morning three officers and to N.C.O.'s and men of the A.V. left Pedder's Wharf at 9 30 a.m., There an energetic staff of men under Quarter- Mr. Dryasdust's gr. Sunrisc, tost. 121b end. Blair sent his second ball to leg for three, master Sergt. Williams, R.A., had everything in

readiness, and, after two trial shots from each gun, the firing began in carnest at range of 1300-13 0 yards. Excellent shooting was again made, three targets being smashed. and seven actual hits made in all, out of 70 rounds. Though two of these hirs do not coun under land a rvice rules, they were, from a naval point of view, capital khots. There was a total absence of any "wild" shooting, and the guns were rapidly and cheerfully worked, the officers and men being evid-ntly on the best of terms, The tiffin was good, and was done full justice to with no prejudice to the firing which followed it. Surgeon-Major Cantlie was present for some time after tiffin and there was a good sprinkling of trained "First aid" men. The rain interfered at first with the comfortable working of the guns, but cleared off about it a.m. The races however, were very wet and slippery, and quick correct traversing was out of the question. The results will be published shortly, when the ten best scorers will try conclusions at the q inch gun -the officers not competing. The worthy captain smashed up the target by a direct hit after tiffin, and came very near with his second shot. It was very evident all day that the present arrangement of the Battery in two divisions is most inconvenient and undestrable. The right half battery was some 18 strong, the left half battery about 11 or 12. A sergeant of the left was on range duty all the morning and a corp val and gunner of the left in the afternoon, whilst five of the remainder had never fired from big guns before. Hence a considerable reserve on one gun and a hard and continuously-working handful on the other.

ACCIDENT AT THE CHINESE THEATRE.

This afternoon on alarming rumour gained currency that one of the two Chinese theatres here, had collapsed, and hundreds of lives been lost. On inquiry we ascertained that something of the sort really had occurred, but with by no means such shocking results. About three o'click a performance was being given in the Tung Hing theatre, in a street off Hollywood Read, opposite the Chinese Recreation Ground, when the wooden roof over one side of the gallery was heard to crack. Immediately the hundred or two hundred persons seated, below made for one corner, from whence they could jump on to the stage, but before they could all escape in that way the light rafters came down, and the roof after them. distance of about twenty feet. The principal damage was probably done in the crush but a score or so of Chinese were cut and bruised by the filling, tiles. The fall only extended over a small area, and fortunately no fatalities resulted or, at least, have been reported. Three men who were rather 254badly hurt, and a lot more who had received superficial injuries, were taken to the Tung-wa Hospital, on the other side of the street. The three first mentioned were sent to the Civil Hospital, but the rest were treated in native fishion, rubbed with vinegar, etc., and sent home. The wonder is that, in the panic which ensued on the fall, numerous fitalities did not occur. and it is principally attributable to the width of the stairs and exits that that, was the case The fractured beams, on examination, shewed that they had been eaten through by white ants, and that the whole huilding is dangerous.

FIRST DAY, MONDAY, 6TH JANUARY, Our annual racing fistival commenced this afternoon under the most favorable auspices. The weather was lovely, the attendance of spectators both in the Grand Stand and outside was quite up to the average—including a good sprinkling of the fair sex-, the race-course was in very good order, and the racing proved in every way first class. During the day a number of the high Chinese officials visited the Stand and were received with the usual courtesies by the Stewards. The first race on the card was the Consular Cup, for which five competitors came to the starting post, and as half a mile was thought scarcely far enough for old Blue Ruin -last year's winner of this event, by the way - Forerunner was a decided favorite. As it proved, the "talent" were quite right in their opinion, as the chesnut in Mr. Boyd's hands, after a few strides took the lead from Blue Ruin and, keeping in front all the way, landed easily by two lengths, with M gpic -a black pony that ran unsuccessfully in Hongkong in Mr. Buxey's colours two years ago -an' indifferent third. The time was rather slow-644 seconds. Chanticleer was most fancied amongst five competitors for the Trial Stakes, and Mr. Hutchings had no difficulty in scoring a very easy victory from Mainbrace, the latter finishing just in front of Cobweb. Another field of five sported silk in the Chaasze Cup, and a popular victory was recorded for Mr. Bruce's well-known "black and yellow" jicket, Mr. Marshall, who has greatly improved in his riding taking Cheng Li Ma to the front as soon as the flig fell, and winning in a canter from Fantan and Gamecock. Five competitors were still the order of the day when the numbers went up for the Hackwan Cup, and was not very easy to pick out a decided favorite, although Silvery Dawn had probably most admirers. Lohengrin broke down after going half a mile, leaving Chanticleer in front, and it looked any odds on the winner of the Trial Stakes until fifty yards from the winning posts where he was well ahead, but then Cobweb came with a rush and, finishing with extraordinary gameness, got up on the post and secured the verdict by a short head. For the fifth time in succession the magic number of five represented the runners, the event being the On Saturday, in the same event, the following | Foochow Cup, and after Cheng Li Ma's previous success he was considered a "moral.". So it proved, as the Foochow pony kept in front from start to finish, and won in a canter by two lengths. The Racing Stakes proved a match between Forerunner and Blue Ruin, the former having the call in the betting; but it was all the other way in the race, as the grey came right away after passing the half-mile post and won pulling double. The time for this race (3 min, 27 secs.), considering the winner was not pressed at the last, must be considered pretty good for the Amoy course. Four praies came to the post for the Coast Cup, a fine finish between Cocktail and Mainbrace resulting in favor of the fi st-named by a short head. The starting and other arrangements were perfect, The billiard match is expected to be played | and not a single hitch occurred to mar a day's to-night, at the Club. SEC 'ND DAY .- TUESDAY, 7TH JANUARY! and the racing was excellent throughout. Blue Ruin proved himself a good pony in the Amoy Stakes, beating Foreguner in a hand canter in 2.49-not a bad performance over such circumscribed course. The victory of Rustic in the Challenge Cup was a bit of a surprise, as it was thought Mr. Hope's pony held the issue safe; however, it was a capital finish, and Mr. Firth rode the winner very well. Fantan improved on his yesterday's form and beat Cobweb after a very exciting tussle in the Visitors' Cup, and a popular victory was scored for Formosa when Cocktail landed the Exchange Plate by a short head from Cheng Li Ma, the latter having already won the Maa-Chin Cup.
